Thank you for shopping at Buehlers Metallography Webshop

Buehler Metallography Webshop

Our Terms and conditions are applicable to our orders: Terms & Conditions(see below). The minimum order value is €250 / GBP250 for consumables. Under this amount, the order shall be subject to a processing charge of €50 / GBP50. Our prices are (ex-Works). UK delivery charges for parcels (Courier UPS): Flat rate of £14 per parcel However, for HAZARDOUS items included in the order, additional charge of £28 / 30€ will be applied. In case that you would like to organize the transport, please do provide at the time of the order your forwarders name, full contact details and account number. Please note: The Buehler preferred payment method is by BACS.

The total amount of this quote is an EXW amount (without transport fee or surcharge for transport of dangerous goods) and without discount from which you could benefit, and therefore is subject to change.

Please do not hesitate to contact your Customer Service in case of question.
